## UNITED STATES INTELLIGENCE BOARD

## COMMITTEE ON DOCUMENTATION

## IBM Literature: Message Composing Typewriter

1. Attached is Copy No of a Company Confidential paper from the
International Business Machines Corporation's Electric Typewriter Division
entitled Technical Proposal: Message Composing Typewriter, U.S. Govern-
ment Agencies. This is the document referred to at the 12 January CODIB-
sponsored demonstration in CIA's Central Building. Included with this copy
is a receipt which should be signed by each CODIB principal or alternate
member and returned to the Secretary.

2. There is one copy of this paper for each Department or Agency; it is	1
equested, therefore, that this be brought to the attention of your repre-	
entative on the CODIB Working Group on Remote Systems Input since it	
vill be the subject of a Working Group meeting called for Thursday, 26	
anuary 1961. Working Group members include: STATE: Mr. Benjamin	
i. Fisher; ARMY: Lt. Col. John J. Gillespie; NAVY: LTJG Paul L. High	1;
AIR: Mr. Alan M . Eldridge;	
Chairman.	

3. For your information, a list of attendees at the 12 January demonstration, who presumably would be interested in this paper, is attached.
